## FRED W. HAMMOND SAN MATEO, DEAD

### Bridge Builder Was Former Resident; Well Known Here

Mr. and Mrs. Herman Runkel received a telephone message Sunday afternoon from the family of Frederick W. Hammond of San Mateo telling of the death of Mr. Hammond, following an extended illness.

Mr. Hammond, retired Pacific coast president and general manager of the John A. Roebling Sons Company, manufacturers of steel cable, at one time owned a residence on the Robinson creek road and was well known in this vicinity and the family have many friends here. He was known in the construction field, both here and in the east for his work of suspension bridge construction and it was his firm that supplied the cable for the Golden Gate bridge. They disposed of their home here just before the beginning of the war.

A long-time resident of San Francisco and San Mateo, Mr. Hammond was a member of the Islam Temple of the Shrine, the Scottish Rite lodge of Masons and the San Francisco Rotary Club.

Surviving members of his family are his widow, Mrs. Sadie Hammond and two children, Frederick W. Hammond, Jr., and Mrs. Mary Merle, all of San Mateo.

Funeral services will be held in the Gray & Company chapel, Divisidero and Post streets, San Francisco, at 2 o'clock Tuesday afternoon. Interment will be in Woodlawn Memorial Park.

## X-Ray Survey Results Told

Eighty-seven of the 3189 individuals x-rayed when the state mobile x-ray unit toured the county several weeks ago have been referred to their private physicians for further medical examination, according to the Mendocino County Tuberculosis Association.

Of those referred for further study 12 were tentatively declared tubercular, 15 suspicious, 25 heart conditions and 34 other chest diseases which included tumors, pleaural adhesions and abnormal rib formations.

Private physicians are aiding the association to determine the value of such a survey by reporting back on each case referred to them.

No school children showed evidence of active adult type tuberculosis. Several heart conditons were revealed in school age children which is important when children are compelled to turn out for athletics. Negative reports are being mailed this week.

The films were read this year by Dr. Waldo Oechsli, roentgenologist of the state department of health.

Complete reports of the x-ray screening will be released at a later date.

## Broaddus Would Employ Trusties

Prisoners serving sentences in the county jail will have an opportunity to get out of cramped quarters during the working day if the request of Sheriff B. G. Broaddus is approved by the board of supervisors.

Broaddus asked the board Wednesday to let him use the prisoners for labor on the new radio tower being constructed north of town, and in and about the jail. The law provides that such prisoners may be employed as trusties and be given time off their sentences in addition to time off for good behavior.

There would be an additional saving to the county if they can be used for maintenance work in the court house grounds, Broaddus said, and it would relieve badly conjested conditions in which prisoners are now getting on each others' nerves. Escape being a felony, he feels none would risk leaving if placed at work as trusties.

The board will pass a resolution permitting them to work if, after discussion, they conclude it is advisable, they told Broaddus.

## Two Were Injured In Coast Accident

Patrolman E. W. Molseed of Fort Bragg arrested Virgil H. Russell of Willits on May 22 after Russell's car had hit the bank and overturned in making a left turn too fast. He was charged with reckless driving.

Minnie Brown of Ukiah, who was a passenger in Russell's car, received major injuries and was taken to the Redwood Coast Hospital. Russell received minor injuries which were treated at the same hospital.

The accident took place at 10 o'clock in the evening on the Navarro road about 10 miles east of the junction of that road with Highway No. 28.

## COMMUNISM TOLD BY ROTARY GUEST

### National C.C. Man Speaks On Movement In United States

The Ukiah Rotary Club had for guest speaker at the Tuesday luncheon Jacob D. Allen of San Francisco, national affairs advisor, U. S. Chamber of Commerce, who spoke at some length on The Truth About Communism.

Jacob D. Allen

"There are two lines of Communist success in the United States today," Mr. Allen said. "The first is the formation of a front organization. The second is boring into, or infiltrating respectable groups. Thus, Communists bore into the labor movement, the government, the press, radio and the movies, and even the church and school.

"A front organization is a group which is apparently respectable, but which was actually organized and is currently controlled by Communists. These work apparently for high-sounding aims: peace, democracy, or social reform. It secures prominent people for sponsors, who are taken in by its program. It uses them to collect money and acquire prestige. Then it cleverly twists the group into a voice for some particular Communist policy.

"There are hundreds of such fronts in the United States. Among the fronts that deal with general problems are the Progressive Citizens of America, the Civil Rights Congress and the National Council of American-Soviet Friendship. Those aiming at special groups include the National Negro Congress, American Youth For Democracy, and the Congress of American Women. But there are more—for religoin, atomic scientists, farmers, consumers, businessmen and others."

Visitors at the Tuesday luncheon were Ralph DeVoto, Philip Crump, and Van Nation of Lakeport, George Sargent of Columbus, Ohio, and J. P. Morris of Kentwood, Louisiana.

Attorney Harry Falk was program chairman.

## Move Started To Close Johnson Tract Streets

A proposal to close Lovers Lane in the Johnson tract north of the city, and two other streets shown on the map of the tract but never opened to traffic, will have a hearing before the board of supervisors on July 1 at 2 p.m.

The closing was requested by Attorney Irving Brazier on behalf of the Masonite Corporation which will operate in that area. Lovers Lane, Brazier said, is not an essential thoroughfare in that district and he knows of no objection on the part of property owners to its being closed.

The streets, which include Lambert avenue and Roder boulevard, have been dedicated to the county and would revert back to property owners in the event they are closed.

## Freemans Dispose Of Feed Yard Interests

Mr. and Mrs. Edward Freeman have sold their interest in the Freeman-Newhall, Inc., feed lots on the north highway to their partner, George Newhall, who took possession on June 1 and will continue to operate independently.

The Freemans will now be able to devote all their time to the Ukiah Auction Yards, which they owned independent of their former interest in the feed yards.

## Big Attendance Ukiah Riding Club Roundup

The Ukiah Riding Club's spring roundup played to a large and appreciative audience at the District fair grounds Sunday, under ideal weather conditions and with the 16-event program going through without serious hitch and focusing the attention of the audience at all times.

The one serious injury came during the cowgirl contest when the horse ridden by Mrs. Jack Myers of Santa Rosa fell and rolled completely over her, inflicting a broken left shoulder.

Mrs. Myers was taken to the Ukiah General Hospital in the station wagon of D. L. Bingham and from there to a hospital in Santa Rosa where x-rays revealed the broken shoulder. Bingham was accompanied by Mrs. Patricia Mellar, nurse and x-ray technician of Santa Rosa, and her husband.

The drawing for the saddle mare was won by City Councilman Laurence Wildberger. Mayor Forrest Hughes superintended the drawing and Karen Schilder drew the ticket stub from the container. Four hundred and ninety tickets were sold on the horse.

Ed Bogner was the lucky person in the drawing for the saddle.

The paid admissions were in the neighborhood of 600.

Parade awards were won by M. R. Groves of Healdsburg for men's best single entry; Anna Wurz of Napa for ladies' best single entry; Mr. and Mrs. Sid Davis of Lower Lake for best matched pair; Ukiah Junior Riding Club for parade's best group; Mrs. Garabacci for most representative cowgirl; Sid Kelly of Cotati for most repretative junior cowboy; Judy Bingham, flag bearer, for most representative junior cowgirl; Mr. and Mrs. Thomas of Ukiah for best matched pair; Harrison Crow for most representative senior cowboy.

Notice has been sent by Mrs. Edith Beck, clerk of the board, to all financial concerns which may be expected to bid for the bonds.

## Judge Brady In Collision

### San Francisco Car Sideswiped Near Lake County Line

A collision on Highway 20 near the Lake county line Friday evening involved the cars of Judge Michael Brady of San Francisco and another car driven by Charles Bruffett and occupied by Campbell, Patrick, Benjamin and Alden Barker of Stoneyford, with considerable damage done the San Francisco car.

Accompanying Judge Brady were Mrs. Brady and Mr. and Mrs. William Bard, all of San Francisco and enroute to Nice for the weekend.

The accident was on a curve about three-fourths of a mile west of the county line with indications that Bruffett was driving too fast and was over the center line approximately three feet. He and his friends were enroute to Caspar where Bruffett had formerly worked in the lumber mill.

Bruffett drove away before Patrolman Sam Shortridge could reach the wreck and the sheriff's office here was notified and Deputies Ransdell, Bartolomie and Witter went north and took them into custody at the Forks and held them for Shortridge.

Bruffett admitted to Patrolman Shortridge that he was at fault in the collision, and said that he was coming into Ukiah to report the accident when met by the sheriff's deputies.

There were no injuries in the collision, but the damage to the Brady Buick was a major item. The 1937 Studebaker driven by Bruffett escaped with minor damage. William Bard, who was accompanying the Bradys, is a San Francisco police officer and was driving Brady's car.

**BOONVILLE STORE IS SOLD**

## Covelo Man Died Alone

### Charles Gregory Found 3 Days After Fatal Attack

The body of Charles Gregory of Covelo was found in his home east of that town by Mr. and Mrs. F. E. Nelson, his neighbors, when they visited the home on May 23. Apparently he had been dead about three days.

Deputy Coroner Alvin Reynolds of Covelo made the official investigation and his report shows that Mr. Gregory was the half brother of Mrs. Lillian Hemenway and Mrs. M. F. Shields. He was a native of Canada, 77 years of age. Evidently he suffered a fatal heart attack while preparing for bed, as he was partly undressed and was on the bed.

The parents of the dead man located at San Jose when he was an infant and his father died there. With his mother and an uncle he came to Round valley about 1870, making most of the trip on horseback. He was a bachelor and was reputed to have a considerable amount of money hidden about his home. Coroner Reynolds made a thorough search and reports finding $1500 in bonds and about an equal amount in cash, which was turned over to the sheriff's office.

Mr. Gregory bore a fine reputation as a man of sterling qualities and a splendid neighbor and friend; a man who had much to do with the advancement of his home community, and a fine citizen.

## Native Of Coast In Mystery Death

Frank Berger, a native of Fort Bragg and prominent Santa Rosa businessman, died Tuesday of a mysterious gunshot wound. He was found in his room at the Plaza Hotel above his place of business Monday morning, mortally wounded and unconscious. After blood transfusions he rallied sufficiently to make a brief, but undisclosing statement to Police Chief Melvin Flohr, that he "must have" shot himself in his store.

A .32 automatic pistol, the property of a friend and left in the store to be sold, according to a statement given out, was found with one empty shell. Every indication was that Berger made his way somehow to his room after being wounded.

Although born on the Mendocino county coast, Berger had spent most of his life in Santa Rosa. He was a former Santa Rosa city councilman and a member of the Legion, V.F.W., 40/8, Native Sons, Elks and Eagles lodges.

Funeral services were held Thursday morning at 11 o'clock from the Lafferty & Smith chapel.

## Guests Take Off With Furnishings

Ralph Hanson, 39; Anthony Goularte, 25, and Kenneth Butler, 19, were arrested by the Yolo county sheriff's deputies last week and held enroute to Ukiah on a complaint filed here by the owners of the Orchard Auto Court on South State street where the trio had stopped overnight and on leaving had taken some of the auto court's bedding and linen.

Deputy Sheriff William White went to Woodland Friday and brought the men to the county jail here where their preliminary hearing was set for Monday before Judge W. S. Van Dyke on petty theft charges.

Hanson and Goularte are registered from Modesto and Butler from Turlock. They were motoring through on a pleasure trip.

## Willits Truck Crashes Auto

A truck-trailer driven by Luther Sherburne of Willits crashed into the rear of the automobile of Charles F. McClure of San Francisco early Tuesday morning on the Redwood highway, nine miles north of Santa Rosa, killing McClure and critically injuring his wife, Mrs. Verda McClure, and their son Charles, two and a half years old.

Investigating officers said that McClure, who was northbound, had pulled to a stop at the side of the road where the car of Kenneth Graham and Robert Griffin of Richmond was stalled.

A few seconds later the northbound truck driven by Sherburne crashed into the automobile, the heavy vehicle telescoping the light machine, climbing over the back of the car and crushing the rear end to within six inches of the steering wheel, where McClure was trapped. Rescuers worked two hours extricating the body.

Mrs. McClure's neck was broken and the boy's right leg and left arm were fractured and his head injured.

Mr. Sherburne, driver of the truck, said he saw the tail lights of the car just before the crash, but believed the car was moving.

The investigators found the automobile loaded with bedding and suit cases, indicating that the family had started on a vacation trip.

## Philo Man Found Dead, Victim of Pneumonia

A victim of pneumonia, Alfred Nylund of Philo died sometime during the night of June 8.

Deputy Coroner William White went to Anderson valley Tuesday to make an investigation of the circumstances and was told by Joe Lunkins that Nylund and Charles Davis were at his trailer Monday evening and that Nylund complained of pains in his chest "and wheezed." Davis went home with Nylund and slept there that night and found the man dead the next morning when he tried to awaken him.

## Poultrymen's Conferences

### Three Gatherings To Be Held In County This Week

W. C. Newlon, agricultural extension poultry specialist, will be in Mendocino county on Tuesday and Wednesday, June 8, 9, to discuss poultry problems with poultrymen and others interested in this industry.

For those in and around the Ukiah and Redwood Valey districts a demonstration meeting will be held on Tuesday at 10 a.m. on the T. L. Jamison poultry farm just south of the Redwood Valley store.

For those living in and around the Willits district there will be a similar meeting at the C. R. Woodroff Walnut Grove ranch northeast of Willits on Tuesday at 2 p.m.

A poultry demonstration will also be held at the D. Frassi ranch near Fort Bragg at 10 a.m. Wednesday, June 9.

Mr. Newlon has been poultry specialist for a number of years and is thoroughly familiar with this industry and qualified to discuss poultry. The meeting will also afford poultrymen an opportunity to present and discuss their individual problems. All interested parties are urged to attend.

## Six Swim Events Here Next Sunday

Next Sunday the first of the Recreation Commission's summer races for boys and girls will be held. Six events, all dashes, have been scheduled to help prepare entries for the county championships, to be held July 4 in the local plunge.

Among the swimmers who will take to the water in the municipal pool Sunday, are Janet Rust, 1947 novice backstroke champion; Joann de Lotty, who gave Barbara Jensen quite a race at Healdsburg during the 1947 grape festival, and Barbara Blair.

Included in the events are several novice races for boys and girls who have had no previous competitive experience.

## Stalled Driver Fined For Auto Intoxication

It cost James W. Rosson $25 to enlist the aid of the city police when his car stalled on South State street near Observatory avenue Monday afternoon.

Officers Griffis and Amundsen were flagged as they approached in the prowl car and were asked to push the stalled car off the street. Rosson was a bit unstable, and his breath smelled and there was a half consumed bottle of brew on the seat of the car. All this, and his admission of having five bottles of same aboard was sufficient evidence for the officers. He was charged with being in and about an automobile in an intoxicated condition.

# ANDERSON VALLEY

PHILO, June 5.—Mr. and Mrs. Bill Dightman of Philo had as their guests last weekend Mrs. Dightman's parents, Mr. and Mrs. H. L. Davis of Sacramento. Other weekend guests were the M. J. Olivers of Sacramento.

An enjoyable afternoon was had by all who attended the bridge luncheon given by Mrs. Fred Rawles last week. After a delightful 1 o'clock luncheon at the Boonville Hotel, bridge was played at Mrs. Rawles' home. High score was won by Mrs. Marie Tarwater and second prize by Mrs. Cecil Lawson. Consolation prize was claimed by Mrs. Phil Clark. The traveling prize went to Mrs. Herbert Singley of Ukiah, who was visiting Mrs. Rawles. Guest prize went to Mrs. Rawles' other weekend visitor, Mrs. Earl Ford of Ukiah. Guests of the afternoon were Mesdames Marie Tarwater, Cecil Gowan, Phil Clark, Don Van Zandt, Robert Batterson, Neva Dennison, Albert Ferrell, the hostess, Mrs. Fred Rawles, and Mrs. Sadie Palmer from southern California.

Sympathy was extended this week to Miss Edna Cotton, whose mother, Mrs. Lotta Hatch of Ukiah, passed away last week. Services were conducted in Ukiah.

Visiting Mr. and Mrs. Thomas of Boonville this week is Mrs. Eunice Thomas of Arkadelphia, Arkansas. The elder Mrs. Thomas plans to spend some time here with her son and family before returning home.

Mr. and Mrs. H. T. Gowen of Lakeport are guests this week of Mr. and Mrs. Akselsen of Boonville.

Another bereavement this week was the death of Mrs. Julia Garrecht, mother of Mrs. McPhee of Boonville, who passed away last Monday at the home of her daughter. Mrs. Garrecht had not been well for some time, but her condition was not considered so serious. Interment took place at Union, Oregon, the home of Mrs. Garrecht. Mr. and Mrs. McPhee and family attended the funeral. Sincere sympathy of the community is extended to the bereaved family.

Miss Charmian Ward of Philo spent three days in Fort Bragg this week. Mrs. Frank Ward is caring for the Style Shop in her absence.

Thad Bowles, while under the influence of liquor Saturday night, shot and killed Claude De Spain, his brother-in-law, and fatally wounded James Skiffington. The shooting took place a little beyond Comptche, at Petersen's dance hall. It appears that Bowles was at the dance and using vile and profane language in the hall in the hearing of ladies and De-Spain and Skiffington tried to get him to desist and finally got him to leave the hall. When Bowles got outside he drew his revolver and ordered Skiffington to throw up his hands. At that moment De-Spain attempted to prevent trouble and Bowles turned suddenly and shot De Spain dead and then shot Skiffington through the lung, wounding him fatally.

Bowles then returned to Comptche where he was employed as a blacksmith and remained until Constables Connolly and Dwinelle arrived and he was taken to Mendocino to await his preliminary hearing.

De Spain was a highly respected, industrious young man and peaceful. He had been away to school studying law, but was on vacation earning money with which to complete his education. ## Denies Decree To "Unmarried" Pair

In a judgment rendered this week Superior Judge Lilburn Gibson denied a decree of divorce in the action brought last October by Charlotte Roberts against Rex Roberts, and in the cross-complaint filed by the husband.

Judge Gibson denied the decree on the ground that at the time of trial the parties were no longer husband and wife because of a Nevada divorce obtained by Mrs. Roberts on January 1, 1948.

After filing her compaint here Mrs. Roberts went to Nevada and became a resident of that state and sued for and obtained a divorce.

The Roberts' three children were placed in the joint custody of the parents, each to have physical custody of them during certain months of the year, and during the time they are with their mother the father is required to pay $75 per month for their maintenance.

The Roberts were married at Reno on November 21, 1942, and separated October 1, 1947. Their home was in Willits. The complaint was filed by Mrs. Roberts on October 14, 1947, charging extreme cruelty.

**Memorial Day Visitors**

With Memorial Day we have almost had Old Home Week. Many families welcomed relatives and though they were somewhat changed by the years, and the children had grown so that we were constantly reminded of how their mothers or fathers looked at that age, it seemed but yesterday that they went outside to the big world.

Round valley, a refuge of peace, welcomed them all. In the afternoon of Memorial Day, many gathered at the "Silent City On the Hill," with memories and flowers, to listen to the beautiful service conducted by the American Legion. On the hill by the water tower stood the bugler and when the blood-red poppies had been placed on each soldier's grave, sounded taps, and the service was over.

To the reservation on Memorial Day, came a party from the far away Indian hamlet of Sinunasho on Warm Springs Reservation, Oregon, where not long ago Milton Peters, one of the Round valley boys, met his death. He was brought home to sleep the long sleep, where he was born. His widow, Mrs. May Peters, her sister, Mrs. William McCorkle, and Felix Wallulaton, navy veteran of their tribe, accompanied by Caroline Hoxie, half-sister of the Peters brothers, came to bring flowers and to see again the final resting place of one who was held in high esteem.

**Women's Club Reports**

At the regular meeting of the Covelo Women's Club on June 2, there were echoes of Memorial Day in the report of the cemetery committee of which Mrs. Beatrice Lovell is chairman. The committee thanks the community for its liberal donations, the crew of men who worked to bring about the ends, the organizations which contributed generously and the many individuals who helped to produce the park-like appearance of our cemeteries.

It was voted to send a note of thanks to the American Legion for its cooperation.

An honored guest was Mrs. Ella Osborne of San Anselmo, first president of this club.

## SAN FRANCISCANS IN BAD ACCIDENT

### Rumble Seat Rider Suffers Broken Leg And Arm

Pierce Robertson of San Francisco received a broken arm and leg in an automobile accident south of Hopland early Thursday morning when the car in which he was a passenger overturned on the Redwood highway.

In company with Mr. and Mrs. George C. Dahle of San Francisco, Robertson was riding in the rumble seat of the Dahle car. Three and a half miles south of Hopland, Dahle pulled to the side of the road to stop his car. The brakes locked and sent the car into a skid, causing it to overturn. Robertson was pinned underneath for some time.

Mrs. Dahle suffered a broken collarbone, and with Robertson was brought to Ukiah and the General hospital by the city ambulance, where both were attended by Dr. Arthur Miller.

The Langendorf truck came upon the wreck soon after it occurred and the driver, whose name was not learned, assisted in lifting the car off of Robertson.

Robertson is an uncle of George Dahle and the party was enroute to Portland. He is 68 years of age. The car, a Plymouth coupe, was taken into Cloverdale for repairs.

Highway Patrolman Arif Stultz investigated the accident.

## STREET CARNIVAL JULY 3 FEATURE

### Breakfast Club Is Scouting For Talent For Fair Show

In conjunction with the 2-day Fourth of July celebration this year, the Ukiah Breakfast Club is sponsoring a street carnival, dance and amateur show for Saturday night, July 3.

They want to contact every talented amateur in Ukiah. Anyone who sings, dances, plays a musical instrument or is otherwise qualified to entertain an audience, is urged to contact Roy Hunt, chairman, or Charles Lewis, Breakfast club president.

The Breakfast club is not without experience in putting on a show of this kind. Its street jamboree last year in connection with the district fair was highly successful and this year they are confident it will be better. The Fourth of July show will be a forerunner of entertainment they are preparing for the fair August 20, 21, 22.

There is plenty of talent right here in Ukiah, Lewis says, to justify some substantial prizes and from among the July 3 entertainers they expect to select the talent for their fair entertainment on August 20, the opening night.

An entry coupon appears in this issue of the Journal which any amateur may fill out and mail or take to Mr. Hurt or Mr. Lewis in order to take part in the show.

From where I sit ... by Joe Marsh

**Who is this Man?**

Now and then, in the pages of the *Clarion*, I run a biographical quiz, under the heading of "Who Is This Man?" For instance...

"He was one of the earliest lovers in American history...

"And yet he was too shy to court a woman outright...

"He came to the New World on the Mayflower...

"A cooper to repair the beer barrels accompanying the Pilgrims...

"Who is this man?"

I thought that everybody was stumped. But not Ma Hoskins, who returned the clipping to me with "John Alden" on it. She recognized all the clues—including that reference to "beer" and "cooper."

For Ma—who's read her history, knows that beer as the beverage of moderation, is as old in this land of ours as the never-ending American search for tolerance which brought the Pilgrims over to this country in the first place.

Who moves in a wheel chair—not on her feet.
Her friends galore—of the days of yore
They knew she would love to greet."

"So, on June 4th from four to six in the afternoon, open house was announced and a large number of the Presbyterian women with whom she has worked and worshipped for the past 45 years, called at her home to chat and reminisce with Mrs. Irene Bradford."

"The affair was arranged by her daughter, Mrs. Bessey (Bradford) Scott and daughter in law, Mrs. E. D. (Anna) Bradford in honor of her 78th birthday. A beautifully decorated birthday cake, tea and wafers were served by the hostesses."

# ★ Willits News Notes

WILLITS, June 9.—The citizens of Willits will have an opportunity to vote for or reject a $125,000 sewer bond issue. That was one of the accomplishments of the meeting of the city council Monday night. The money voted is to be used for alterations and additions to the treatment plant and additions to the present collection system. Other business that kept the city dads burning oil until past the hour of midnight included a report by Councilmen Roy Hampton and W. D. Ford on the progress toward a recreational commission. The names of Mesdames George T. Barcklow, John Kiraly, Ray Hilderbrand and Messrs. Fred Leonard and Lee Kenworthy were submitted by Hampton and Ford and approved by the remaining council members. Joe Thompson, airport lessee, asked and received the council's approval to build a combination hangar and maintenance shop at the airport. Thompson will furnish the labor and the city will put up $1000 for material. Contractor Whitson appeared to ask for the extension of South street east to Baechtel creek. He received the same stipulation as did others with similar requests, i.e., that each property owner with frontage on each side of the proposed road be willing to pay $1 per frontage foot before the council will take action. Another person present was "Frenchy" Ardens of the Thrifty Center. It was suggested that he initiate a "clean up week" in the front and back yards of his store. It was said that articles piled there spoil the looks of a modern store and create another eyesore along Main street.

**Playing Dangerous Game**

As yet we do not know the name of a certain little girl who has taken to playing a dangerous game of "double-dare-you." This child, judged to be in her early teens, finds a thrill in dashing in front of oncoming cars and after listening to brakes squeal, or watching cars swerve to avoid her, stands on the curb and actually gives the frightened driver the "raspberry." Monday she dared a tanker, endangering not only herself and the driver, but other nearby traffic. Perhaps she doesn't realize that by unnerving a driver she may cause an accident further along the highway. Perhaps her parents are not aware of her actions or don't really dare to discipline her. However, the motorists do, and one driver actually stopped his car and started after her to give her the tanning she obviously needs, but she took for the fields. It could be that since then she has gone into hiding, without having done more than frighten and anger drivers.

**Doc Stork on Delivery**

The Howard Memorial Hospital roster of nursery arrivals has the boys outnumbered two to one. May 31 the William Burkes of Willits became the parents of Colina Nell, who weighed in at five pounds, seven ounces. Edward LeRoy Reed arrived on June 1 for the Silas Reeds of Branscomb. His weight is recorded as six pounds, seven ounces. June was the date of Susan Mary Carver's arrival; her parents, the George Carvers of Cummings. Her weight, six pounds 14½ ounces. She was followed by Russel Eugene Codenhead, who checked in on the 4th for the James Codenheads of Rockport. Cherie Elaine Edwards was the name chosen for the 8-pound, 4½-ounce lass that arrived on June 6 for Mr. and Mrs. James Edwards of Willits. The Stanley Ebys became parents of an 8-pound, 1½-ounce daughter on June 7. Alice Suzette is the name chosen for her. Two girls were born on June 8. Emma Elaine Bartow is the daughter of Mr. and Mrs. Joseph Bartow of Willits, who tipped the scales as seven pounds, 15½ ounces. The other, LaVerne Oren Oens, was born to the Sam Oens family of Laytonville. Her weight was eight pounds, four and one-half ounces. The stork is a busy bird.

**More or Less Personal**

Ray Hopper, son of Mrs. Louis Van Bebber, is visiting her for a few days. He is up from southern California.

Up from Napa is Bert Allenby to visit his mother, Mrs. Doris Purdy, and to fish in the Vanduzen river.

The big grin on Howard Baldwin's face may be due to his recent receipt of a pilot's license.

Congrats to "Red" Stansberry who was one of the two fellows who successfully stück at the Napa rodeo.

Visiting with Mr. and Mrs. Floyd Clark at Shangri-La are Mrs. Clark's son and family, the Gerald Kinsmens of Great Falls, Montana, and her brother and his wife, Mr. and Mrs. Ed Gibson of San Gabriel.

Seen in Willits were the Buck Wests, formerly of this city.

Henry Floyd was in the local hospital on June 8 for examination after being struck by a log. No serious injury inflicted.

Fred Payne of Texas and his niece, Mrs. Eva Starr of Oklahoma, are hospitalized. They were injured last Saturday when their car failed to negotiate the turn south of town near Hollands Auto Court.

**Forty/Eight Business**

Robert Lewis, Sr., Robert Lewis, Jr., Pete Hedtkamp and Leland Cureton, Willits members of the Mendocino County Voiture 40/8, met with other members of the organization in Hopland Saturday evening. While there they feasted on turkey with trimimngs and took in the business meeting. It was decided that installation of officers will be held in Willits in September. Although no definite date has been set, plans were being formulated for a pilgrimage to Talmage where an estimated 480 veterans are located. They would take with them cake, ice cream, cigarette, and perhaps musical entertainment.

Corned beef and cabbage with ice cream for dessert was on the menu served to members of the Willits Lodge F.&A.M. on June 5. The meal and the cigars and cigarettes were through the generosity of E. E. Safford. After eating their fill they remained for their degree work.

Members of the Reserve Officers of Mendocino and Lake counties met in Veterans hall, Ukiah, on June 7 for their instruction meet. Major Hill spoke on medical corps activities, illustrated with a training film, and the dental corps activities were ably covered by Capt. Chittenden. A talk by Jacob D. Allen, U. S. Chamber of Commerce, Oakland Branch, on Current Congressional Legislation, concluded the session.

**Pre-Fourth Dance**

Western togs will be in order on June 19 at the B.P.W.C. of Willits pre-Fourth dance. However, if you are saving your one and only suit of western wear for the Fourth, come as you please. Even if you don't care to dance it will be an enjoyable evening listening to music by Greeott's orchestra and judging from the past years, the decorations will be unique. Saturday night, June 19, at the Willits park pavilion.

**Professional Women**

The dance was one part of their activities the B.P.W.C. of Willits discussed at their meeting Tuesday evening. Others acted upon included a float for the Frontier Days parade. A committee under the chairmanship of Juanita Lewis was appointed to work out details of the theme the club has undertaken to depict. tI was further decided that on the night for decorating the float the ladies would enjoy hot dogs and salad for renourishment. The date for coffee and donuts and decorating the pavilion is June 17 and all members of BPW, fire department and auxiliary are cordially invited to assist.

The meeting Tuesday was called to order a trifle late as the regular meeting place was taken over by the Shriners and their guests, the Masons. First Vice-President Jimella Heckendorf opened the meeting, as President Pat Brewer was called to the hospital to take an x-ray just at meeting time.

The next meeting, a combined business and social, will be a "farewell" party to the club's Fort Worth convention delegates, Mesdames Jimella Heckendorf and Alma Albee. Refreshments will center around a Dutch lunch with all that goes with it.

Little Master Johnsrud was given a hearty welcome at a surprise baby shower for his mother, Mrs. Martha Johnsrud. On June 4 Mesdames Beth, Helen and Sallie Maize invited a group of friends to a surprise shower at the home of Sallie Maize. In a room artistically decorated with pink and blue spring flowers and pink tapers, the guests enjoyed games and refreshments of assorted sundaes, cookies, candies, and paper diapers, complete with safety pin, that served as nut cups. Those enjoying the festivities were Mesdames Irene Friedrickson, Elorene Matson, Earlene Whittaker, William Haggerty, Gladys McCray, Elsie Williams, Laura Recagno, Sonia Gordon, Elvins Mills, Marilyn Tooler, Pauline Safford, Bernice Lowler, Blanche Daskam, Katherine Wagonet, Ellen Black, Ruth Charters and Mrs. Earl Maize, Sr. Unable to be present but sending gifts and a warm welcome to the little one were Mesdames Jane Williams, Phyllis Gilly, Earletti Kiraly, Marion Waud, Helen Bell, Shirley Tattersfield, Helen Bartow, and Dorothy Hopper.

Monday was the night of the public forum on the school bond issue, the Garrison Act. Although attendance was not all it could have been, those present had all their questions and doubts explained thoroughly.

**Legion Auxiliary**

The American Legion Auxiliary held a business meeting last Friday with First Vice-President Colleen Smith presiding in President Barbara Steadman's absence. The nomination committee's report was read and accepted. Nominations will remain open until election, at the next meeting. The organization appointed a float committee under Mrs. Alecia Cureton to arrange and enter a float in the Frontier Days parade. ## Volley Ball League Is Planned By Churchmen

Organization of a volley ball league is the objective of the new Young Adults group of the Baptist church which organized recently to arrange recreation for the young married set in the church. Harold Grass is chairman of the group.

The idea for a league grew out of the Memorial day barbecue when the church initiated its new barbecue pit and an athletic program was part of the all-day gathering in the church grounds. Considerable talent was discovered and more than a little enthusiasm for summer competition. Dates of games will be announced when plans are completed.

## Mrs. Whitton Wins Richfield Trophy

Mrs. Ira Whitton is the proud possessor of the Richfield trophy as the winner of the 1948 Richfield Ukiah women's handicap tournament at the municipal course Saturday. Mrs. Whitton won 1-up over Mrs. Ellowese Beamer, displaying the courage and determination characteristic of experienced golfers, Bob Clark, municipal pro said in reviewing the match.

"Although Mrs. Whitton was obviously nervous, this being her first finals play in a tournament, she held on to her game very well to come through and win," Clark pointed out. "The Richfield competition is a handicap affair and is played under U.S.G.A. rules which permit an advantage of seven-eighths of the difference in handicaps. Mrs. Beamer is a 9 handicap player, and Mrs. Whitton had a 22 rating. Therefore, Mrs. Beamer had to spot Mrs. Whitton 11 strokes on the eighteen holes. Mrs. Whitton used up 9 of the strokes to win the match 1-up in a warmly contested game."

Other Richfield trophy winners include Genevieve Cox, 1939; Ellowese Beamer, 1940; Gladys Stickney, 1941; Magda Oksen, 1942. Competition for the trophy was suspended during the years 1943 through 1947.

In the Richfield consolation round, the prize went to Audrey Newell as the finals winner in another 1-up decision over Ramona Fahrney Friday.

"Mrs. Newell has only been playing golf a year, but when she finally coordinates her game in all departments she will be an excellent golfer," Clark predicted. "Both consolation finalists enjoyed their match thoroughly, with Mrs. Fahrney's even, happy-go-lucky style of play almost good enough to win, since the match was undecided until the eighteenth green."

Clark reminded service club golfers that this is qualifying week for the Midsummer Tournament. Entrants will compete for the Harry Roberts trophy, offered for the first time this season.

Since the department relies mination of the amount of security to be posted, it is incumbent upon those reporting to fill out forms as completely as possible.

Responsibility for the accident does not figure in the new law.

# California's Motor Vehicle Financial Responsibilty Law Effective July 1

SACRAMENTO, June 5. — (WNS)—On July 1 California will embark on a new phase of motor vehicle history when administration of the motor vehicle financial responsibility law enacted in 1947 begins.

Designed to protect citizens against proven financially irresponsible drivers, the act also promotes safety by making it possible to remove habitual accident causers from behind the wheel.

The act is enforced solely through suspension of the driver's or operator's license or privilege for failure to do one of the following things:

1. Report to the department of motor vehicles, financial responsibility, Sacramento, within 10 days any accident involving injury, death or property damage in excess of $100.

2. Deposit within 60 days of filing the accident report an amount of security deemed by the department sufficient to meet any judgment for damages arising from the accident.

A standard automobile liability insurance policy, providing limits of $1,000 for property damage, $5,000 for death or injury of one person and $10,000 for death or injury of two persons in any one accident is considered to meet the security requirements of the act.

However, an insured operator or driver must report an accident involving death or injury in any degree or property damage in excess of $100 within the same period of time and on the same state-approved form as uninsured drivers or operators.

One popular misconception concerning the law is that it is a compulsory insurance act.

A standard automobile liability insurance policy, providing limits of $1,000, $5,000 and $10,000, meets security requirements of the act, but cash or other forms of security approved by the department of motor vehicles also fulfill terms of the act.

So long as he is not involved in an accident, a driver or operator need not be concerned about the act, but once he is in a reportable crash, he must report within 10 days to the department of motor vehicles in Sacramento and deposit security if uninsured.

The only ways in which he can escape filing security or demonstrating evidence of insurance within 60 days of filing his accident report are to:

1. File evidence with the department of release from liability or a court judgment of nonliability.

2. Execute a confession of judgment payable when and in such installments as are agreed upon by both parties.

3. Execute a duly acknowledged written agreement providing for payment of an agreed amount in installments.

If one of the three steps above is taken after the license or driving privilege has been suspended, it can be reinstated. Otherwise the suspension will remain in force until a year has elapsed since the accident and satisfactory evidence is submitted to the department that no damage suit has been filed as a result of the accident.

The new law goes a step farther than the old act of the same name, but leaves the earlier statute undisturbed.

Under the new law, the state acts to obtain a security deposit to meet any possible damage judgment arising from an accident involving injury, death, or property damage in excess of $100.

The old law provided for suspension of the driving privilege and the registration card of any person who failed for 30 days to satisfy any final judgment against him arising from an accident involving death or injury to any degree and property damage in excess of $100.

Provision is made in the new law for suspension of the driving privilege of any person who fails to report within 10 days to the department of motor vehicles at Sacramento, any accident of his involving injury, death, or property damage of more than $100.

This provision, however, is in addition to the older section of the California vehicle code which requires reports of death or injury accidents to be made in writing within 24 hours to the California Highway Patrol. If in an incorporated area, to the local police department.

Drivers who are physically incapable of making the financial responsibility accident report should have someone do it for them. The law says that if the driver is injured too badly to

# Sluggers Win Sunday Game

The Talmage Sluggers managed to get by the Sausalito Native Sons in a close thriller, 8 to 7, Sunday at Talmage.

Baird and Severi shared honors on the mound to give the Sluggers their fourteenth win of the season. Although the visitors exceeded the Talmage hitting performance by one bingle, the Slugger pitching staff was able to keep them scattered widely enough to avert disaster.

Talmage was coasting along with a comfortable 7 to 2 lead until they were rudely awakened by a Sausalito barrage in the seventh frame which tied up the ball game.

Severi helped save the day when he blasted out a triple in the eighth and scored the winning run on Wada's fly.

McDonald led the hitting for the Native Sons with 4 hits for five times at bat. For Talmage Guidi connected with 3 for 3, while Harding gathered 2 for 3.

# Sluggers Bow To Merchants

The Ukiah Merchants won in an exciting battle 4 to 3 with the Talmage Sluggers in their second twilight league meeting of the season Thursday night at the South State street park.

The contest was well played and provided plenty of thrills for a capacity crowd of fans. Openshaw allowed Talmage only three hits, but two of them were resounding home-run blasts by Brazil. Fortunately for the Merchants, there was nobody aboard either time Brazil connected. Bob Moroni hit one with Campbell on scoring the remaining Talmage run in the civil war feud.

**Wins Richfield Tournament Trophy**

MRS. BILLIE WHITTON, left, smiles happily as she accepts the Richfield tournament trophy from Mrs. Robert Clark, center, while being congratulated by Mrs. Ellowese Beamer whom she defeated 1-up in the tournament finals Saturday. Mrs. Whitton is the first Richfield winner since the resumption of the annual competition. The last winner was Magda Oksen, who won the cup in 1942.

# Albertinum, El Rosario To Graduate 15 Students In Sunday Ceremonies

Orval McDougal had a proud ten-year-old's grin on his face when he showed Sister Prioress Henrietta the big chocolate cake he was making for Sister Amada's feast day Wednesday. It was in the kitchen of the Albertinum where Sister Lucy cooks for the 'big boys' who leave the school and write back for years after about Sister Lucy's good cooking. This year she prepares meals for 140.

Sister Henrietta was conducting a visitor but she stopped to praise Orval for the fine cakes and pies which are his hobby. Up in the linen room she took time to look in on Sr. Tharcisia, who looks after 88 boys' wardrobes, cuts their hair and puts mercurochrome on their skinned knees.

She takes great pride in the work of Sr. Luka, principal of the teaching staff who is personally working with a group of 25 retarded children on an individual basis to bring them up to their grade levels.

**Graduation Sunday**

One gets the impression of fine, warm hearted cooperation between these Dominican sisters dedicated to the welfare and education of children, some of whom are orphaned or otherwise deprived of a real home.

The visit to the Albertinum and El Rosario was to learn of the graduation of 15 students from the 8th grade on Sunday, for which great preparations are being made. Sr. Adele of El Rosario, the girls' division of the school, is planning a first annual breakfast on Sunday morning at 9 a.m. in the beautiful El Rosario reception room where the graduates will find colorful place cards at their covers and Father Raymond Smith, OFM of St. Boniface church in San Francisco—a former Albertinum graduate—will be a speaker.

Graduation ceremonies which parents and friends will attend will begin at 2:30 Sunday afternoon in the school auditorium. Father Adrian Sharkey of St. Mary's Catholic church will preside and present the diplomas. A buffet lunch in El Rosario will compliment the graduates and their parents.

**Camp Opens July 1**

Boys and girls who remain in the school during the summer vacation and others are looking forward to the opening of Camp St. Albert on July 1.

Registrations from the bay area are already 85 and about 45 will go from the school. For older boys the camp period is July 1 to 23. Juniors will go from July 23 to August 13 and the girls will have their camp vacation during the last two weeks in August.

Meanwhile vacation recreation for those who are here will include swimming in the outdoor pool, games in the playground, movies, outings to local picnic spots on the river, fishing trips. The school has two buses to transport the boys and girls on outings which include those to the 28-acre grove near the municipal golf course and on trips with their prefects to the lakes.

**Camp In Redwoods**

Camp St. Albert in the heart of the Redwood Empire, is a boy's dream of life outdoors. It is situated on Noyo creek between Willits and Fort Bragg, under the personal supervision of the Dominican Sisters of the Albertinum. They are aided by students for the priesthood from St. Patrick's Seminary, Menlo Park and St. Joseph's College, Mountain View, who act as counselors.

Boys from seven to 14 of any faith are welcomed at the camp from Jnue 25 to August 6, if they are well recommended. Board and lodging is $15 a week. Sr. Henrietta will furnish information about transportation and what a boy needs to bring for his clothing and gear.

Overnight camping, mountain climbing, camp fires, swimming, fishing, hiking, sleeping in rustic cabins are part of the program.

**School Is Attractive**

Handsome new concrete buildings constructed in 1941 have made the school—which has 211 boarders this year from 14 counties and 30 day students from local homes—an attractive, and appealing place. There is no hint of regimented institutionalism in the brightly decorated dormitories, the pleasant dining rooms and recreation halls. The patio is abloom with flowers where Joe Lassard is the proud and competent gardener. Henry Manning, caretaker, once an Albertinum student, is responsible for the well-cared for look of the school and grounds.

Sr. Henrietta has been here for five years. Before she came to Ukiah she spent 14 years with St. Vincent's school for boys in San Rafael. For the past two summers she has studied social work in St. Louis University in Missouri, but this summer she plans to attend U.S.F. in San Francisco.

She is tiny in her black and white habit. She has a round, pleasant face and it glows with human warmth and love of young humanity. Pride throbs in her voice when she points out a group of boys of mixed races playing together in perfect democracy. She mentions the members of her staff with personal appreciation of the part each plays in the conduct of the school and camp.

**Teaching Staff**

Sr. Gregoria is her clerical assistant. The teaching staff includes Sr. Consolata, 1st and 2nd grades; Sr. Matthew, third grade; Sr. Adalberta, fourth grade; Sr. Rufina, 5th and 6th grades. Peter Dempsey is seventh and eighth grade instructor and Edgar Salyer is athletic coach who has organized basketball and baseball competition with students of grammar schools in Ukiah, Potter Valley, Talmage and Redwood Valley.

John Luiz, a former student is now group director and lives in the Albertinum with his wife and son, Gary. Sr. Amata is well known in Ukiah where she has many music students in her pleasant cottage on the school campus. Sr. Rafina and Sr. Elizabeth have charge of Indian mission work where currently 150 children are being instructed in work and play. They teach catechism each Monday afternoon at the Albertinum during the school year.

Sr. Mauritia has personal charge of the 60 younger boys.

Sr. Henrietta is also very proud of Steve Posateri, one of her boys who is now the competent engineer of the school plant. John Lyons is the shoemaker and chauffeur and William Ford is chauffeur for Indian mission trips.

## Lovegreens At Son's Graduation From U.C.

Mr. and Mrs. Harold Lovegreen of Spring street motored to Berkeley to attend the graduation of their son Harold from the University of California on Saturday.

Harold has accepted a position with the Boeing Aircraft Company at Seattle, where he will report after serving two weeks of active duty at Hamilton Field. He is a graduate of the 1941 class of the Ukiah high school and was a student at U. C. until 1942 when he enlisted in the Army Air Corps and served three years.

# Barbecue Farewell For Aggis Sunday

A barbecue for 65 is being prepared at the Aggi ranch in Coyote valley off the Lake county road where friends and relatives will gather next Sunday for a festive farewell to Mr. and Mrs. Giuseppi Aggi who leave June 24 for Italy.

The trip, long planned and greatly anticipated, will take them to see brothers and sisters whom they have not seen in 36 years; and nieces and nephews they have never seen. They will go by train to New York where they will take a plane to Rome, Italy, and from there will visit all parts of their native country. A recent letter from a cousin who flew from New York to Rome told them the trip is wonderful and dispelled any apprehensions they had about going by plane.

The Aggis have been ranchers in this area since 1922. They have two daughters, Mrs. Angie Engtrom of Ukiah, and Mrs. Nella Vanderpool who lives on the ranch; also a son, Jimmy, who is married and lives in Fairbanks, Alaska. He was unable to be here in time to see his parents off on their journey, but will be here when they return to tell of their trip in September.

# Legion Auxiliary Chooses Officers

American Legion Auxiliary meeting was called to order in Veterans' hall June 2, by President Lillian de Keno, to hear a report on a very successful Poppy Day sale by Mrs. Elise Figone, poppy chairman.

Another report was given on the Memorial Day services by Ruth Salls. In spite of bad weather and the necessity to move the ceremonial indoors, it was an impressive service and well attended.

Officers were nominated and elected to office, but the posts of president and vice president are yet to be filled at the next meeting. Installation will be put on by the Past President's Parley on June 16. Officers named below the rank of president and vice president are Patricia Miller, secretary; Alice Dougherty, treasurer; Roberta Nix, sergeant-at-arms; Marjorie Sanchez, marshal; Mary Ellen Lance, second vice president; Elise Figone, historian; Lillian de Keno, chaplain.

Mrs. Ella King of King City was a guest. Delicious refreshments were served by Mrs. Marion Ray, Jr., Mrs. Minnie Sweeney and Mrs. Ruth Salls.

Past presidents held their last meeting at the home of Bernice Foss — a lovely evening was enjoyed by all.

# Fire Prevention

The state fire prevention department presenting its annual budget to the board of Supervisors Wednesday met some unexpected criticism from board members. Frances Raymond from the department and Charles Campbell, ranger, brought in their $3775.80 budget which contained an increase of $600 over last year's funds for this purpose.

Chairman Ed Haehl and Supervisor Guy Redwine asked on what basis the state takes care of Boonville and Covelo and expects the county to pay for similar services in Redwood Valley. Haehl then answered his own question by stating Redwood Valley people gave dances and entertainments and bought their own fire truck, which the county maintains, enabling Covelo and Boonville areas to benefit disproportionately.

Mrs. R. O. Foster of Talmage is in Santa Cruz, called there Sunday by the illness of her mother, Mrs. Frank Thurston, and will remain until there is a change in her condition. Mr. Foster motored her down.

# ELKS SPONSORING FLAG CEREMONIAL

## Ceremonies at Park To Mark Anniversary Of Old Glory

The Ukiah lodge, B.P.O.E., are sponsoring Flag Day ceremonies which will be held in the municipal park Sunday afternoon, June 13, beginning at 2:30, in which all civic, patriotic and fraternal organizations of the city and county may participate.

This observance, taken in connection with the annual picnic of the Northwestern Pacific employees on that day in the park, will make one of the largest and most interesting attractions the city has seen in many months.

Ed Jennings, exalted ruler of Ukiah Elks, says, "We believe it is more necessary than ever before for us to devote our energies this year toward this occasion." With world conditions what they are, and subservient interests endeavoring to undermine the institutions for which our flag stands, he says, "We have laid careful plans to the end that our community will be presented one of the most outstanding programs to be seen anywhere."

The Hamilton Field Air Force band will be here to participate in the celebration, and Dean Maddox, the Sidewalk Reporter of the Don Lee Broadcasting System, will be the speaker.

A 12-part program has been prepared with the patriotic theme running throughout. Remo Bartolomie is the general chairman and Henry P. Dohring is chairman of arrangements.

The complete program will be published in this paper's next issue.

## Dr. Van der Las Views Flood Ravaged Country

Flying over mile after mile of flood-devastation in the Oregon-Washington inundated area, Dr. Richard Van der Las, enroute home from Seattle Wednesday, had a vivid picture of the ravaged northwestern country. The extent of the floods is almost unbelievable, he said.

There were 881 delegates to the Presbyterian Assembly in Seattle, he reported, and they included Indians and Esquimos from Alaska. The assembly was a splendid session, he said.

While in Seattle he baptized the son of a man he had baptized while he was pastor of Bethany Presbyterian church before coming to Ukiah; and he attended a double-header baseball game when Portland went down to double defeat by the Rainiers. He's sorry the Seals took such a lacing.

With Rev. Coyne Gifford, of Clifton, Arizona, in his pulpit for Sunday services in the Presbyterian church, Dr. Van der Las, out of consideration for the candidate for the pastorship, went to Fresno to visit over the weekend with his son's family with whom he will make his home when he retires this summer.

## Wm. Kindred Sues For Crash Near Rockport

George Stokes and Bruce McKinney are defendants in a suit for $1412, the action being brought by William Kindred to recover damages incurred by him through a collision between his automobile and the truck belonging to the defendants and driven by McKinney. Damage to the automobile is placed at $444.97 and $968 is wanted for the loss of use of the car during the 121 days it was laid up for repairs.

The collision took place on highway 12 north of Rockport on September 11, 1947. The complaint was filed by Preston & Falk and charges negligence and carelessness of McKinney, the driver of the truck. The principals are residents of the Fort Bragg country.

## Recorders Pay Tribute To Late Fred Chalfant

Mrs. Alta Ballou, county recorder, brought home from the recent recorders' convention in Ventura, a generous tribute to the late Fred Chalfant — a gift of $25 to be donoted to the heart fund. Mr. Chalfant died of heart disease last November while serving his third term as county recorder.

Mrs. Ruth Kington accompanied Mrs. Ballou to Ventura and visited in the southland while Mrs. Ballou attended the 3-day convention. They made the trip by motor and returned Sunday night.

# Fair Directors Move To Buy More Land

At the special meeting of the directors of the District fair which was held at the fair grounds Sunday morning, there was vigorous opposition to the proposition by the state to cut the present half-mile race track to three-eighths of a mile for the purpose of providing building sites north of the oval as they are now incorporated in the master plan developed by the department of architecture.

President Pierce Stipp stated that the meeting had been called to discuss the proposition of enlarging the grounds so the present half-mile track could be retained, which could be done by acquiring land along the north line of the fair property.

Mr. Stipp said that the state highway department was taking additional right-of-way for the purpose of widening Highway 101, which will reduce the parking space of the fair grounds. He said that in the event the board voted to retain the half-mile track and force a change in the master plan it would be two years before the red tape could be cut through at Sacramento and new plans submitted. This he explained is due to the fact that the state has 70 district fairs and Ukiah's plans would go to the bottom of the pile if changed and would have to await their turn as the other fairs were taken care of.

George P. Anderson, one of the sponsors of the old fair association, said the present site was chosen because there was sufficient level ground for a half-mile track, along with other natural advantages. He expects to see a real county fair developed here with running and harness races and that if we are to be deprived of the half-mile track we might as well forget that part of the program.

Stanley Watson, one of the wheelhorses in promoting the Twelfth District Fair Association grounds, said he gave the state 36 acres of land and that the half-mile track was a prime consideration.

A motion to purchase four acres of land along the north line of the grounds on which the association holds an option, was made and carried. This land is the property of Erickson brothers and gives the association a 209-foot wide strip from the highway to the N.W.P. right-of-way. This is expected to provide parking space to take care of all the needs and allow for buildings included in the master plan without reducing the race track. Present parking plans provide for 700 cars.

Another motion was adopted, to negotiate for the purchase of an additonal 13 acres of the Erickson land.

Mayor Forrest Hughest spoke to the directors concerning a proposition made to the city council by Captain Walter Smith of the National Guard for construction of the guard armory on the municipal airport grounds. Mayor Hughes said the council was not attempting to change the location of the armory from the fair grounds, but that the city has the property for the purpose, if the idea is approved by the Civil Aeronautics Administration and the fair board. It was pointed out that as armories are state buildings it is mandatory that they be built on the fair grounds wherever possible, and the armory, a strong room and motor pool were included in the plans for the fair administration buidling.

A hearing on milk prices will be held in Ukiah on June 11 at 10 o'clock in the supervisors room.

**Graduate Nurse**

Miss Vasilike Lolonis, daughter of Mr. and Mrs. F. D. Lolonis of Redwood Valley, and a graduate of Ukiah high school, will graduate with honors on June 10 from the Dental Nurses Training School of San Francisco.

# Farm Women Act On Local Issues

Women of the farm bureau home department held two local meetings last week to further rural interests. Under the chairmanship of Mrs. Ernest Butow the Calpella-Redwood Valley group was at the Butow home on Thursday for a potluck lunch. Those present were unanimous in their desire to cooperate with the state organization in the investigation of the wide spread between the price received by the farmer for his produce and that paid by the ultimate consumer.

They will endeavor to secure a wider prize setup for the 4-H and other junior groups in the district and county fairs. Their object is to separate the young folks' exhibit from those of the adults so that the younger exhibitors may not have to compete with the livestock and products of the older people.

On Friday, the home department women of the Hopland unit met at Guild hall. Mrs. Mary Milone and Mrs. Tony Perriera acted as joint hostesses for the gathering. They voted to interest themselves actively in county health work and to endeavor to help secure better facilities for caring for the sick in the county. Mrs. Mildred Crawford, county home department chairman, and Miss Pauline Perate, field representative of the state federation home department, met with the groups.

In speaking of the question of price spread, Mrs. Crawford said, "Contrary to common belief, the spread is not all in the retailers' hands. Several seem to be taking a share resulting in a formidable build-up. It is hoped that the statewide survey may show a way to simplify the process in order to facilitate the movement of food from farmer to consumer."

R. O. Foster has taken the agency for the California Farm Insurance Company with Walter Higgins and will write fire, automobile, life and other insurance.
